EDUCATION

Bachelor of Science 2019 - 2023
Computer Science - Software Branch
University of Technology – Baghdad

WORK EXPERIENCE

- During my academic pursuits, I actively participated in a graduation project, where I played a role within a collaborative team.
- I actively engaged in volunteer work at the International Book Fair, a valuable experience that not only enhanced my communication skills but also provided me with hands-on experience in customer interaction while promoting the event.

COURSES

I earned from the University of Technology, which conferred upon me a "Certificate of Participation Job Skills Enhancement Drills." This program equipped me with valuable insights into the dynamics of the labor market, the requisite skills, and strategies for leveraging my experiences effectively within it.

SKILLS

- Working on Office programs.
- Teamwork skills.
- communication skills.
- Office skills
